

ASSOCIATION OF HEALTH CHRISTIAN PROFESSIONALS

We take caring to a whole new spiritual level

WHO WE ARE

IT'S NURSES SOLUTIONS

Our goal is to enrich the Christian Nurse & Nurse Practitioners spiritually and professionally. A Nurse is a catalyst for change so also is his/her spiritual life. As believers in Jesus Christ, a nurse should be the light and salt of the earth just as Jesus has portrayed him/her in His Word.

We bring the life of Christ to the workplace, not proselyte (except so permitted), but show Christ life by our lifestyle.

OUR MISSION FOCUS

Spiritual Support Networking & Fellowship

We believe to have been called to offer God's word, love, prayer, counsel, mentorship and mission opportunity to nurses and nurse practitioners with practicing faith in Jesus Christ in New York, United States and the world. We have in our midst Registered Nurses, Licensed Practical Nurses, Nurses Aides and Certified Nurses.

In all our fellowships, nurses and nurse practitioners will be treated to a wonderful time of inspiration, motivation and fulfillment in their relationship with God, career, health and family.

PURPOSE

Nurses provide wonderful care to millions of people each day throughout the world in diverse settings and conditions. Beside the mental and emotional fatigue and drain that nurses and nurse practitioners face, the spiritual need goes unnoticed.

Through the Association of Christian Nurses & Nurse Practitioners, nurses are brought into a forum of spiritual enlightenment and enrichment.
